dodie the story of an extraordinary woman and her influence on those who met her I Capture the Castle is the first novel by the British author Dodie Smith, written during the Second World War when she and her husband Alec Beesley (also British and a conscientious objector) were living in California. She longed for home and wrote of a happier time, unspecified in the novel apart from a reference to living in the 1930s. Smith was already an established playwright and later ...
